What happens in bad or extreme weather conditions and some or all of the Farm Experience has to close?

We take the safety of our visitors very seriously and on the occasions where we experience extreme weather, we may close our Adventure Playground and/or the Farm Trail. We will endeavour to share last minute changes with you and if your visit is disrupted as a consequence of bad weather at the farm, please speak to one of our team.

As a working farm, do you ever close?

Occasionally we may have to close the Farm Experience at short notice due to adverse weather conditions, essential farm maintenance or deer management. We aim to give you as much notice as possible.

Should we have to close over your planned visit, our team will be happy to reschedule your booking.

Do you have free WiFi?

Yes we have free WiFi in the Visitor Centre, The Grazing Rooms cafe, Farm Shop and Butcher. Log on to Sky Park Farm (Guest).

How long does it take to walk around the farm trail and how far is the walk?

You can access as much or as little of the trail as you like. The time it takes depends on your walking speed, but as a guide it takes about 1½ hours to walk around the whole farm trail and it is approximately 3 kilometres.

How long can I stay at Sky Park Farm?

You can stay at Sky Park Farm as long as you like within our opening hours, last admission is 4pm and the farm closes at 5pm.

Where can I buy food?

Our Retail Gift Shop at the visitor centre has takeaway barrister coffee, ice-cream, Slushies and treats and we also have a kiosk selling hot drinks and snacks near the adventure playground. If you are looking for breakfast, lunch or a hot meal then head over to the Grazing Rooms restaurant or grab picnic items from our deli counter in the farm shop.

Can I buy or bring my own food?

You can buy sandwiches, snacks and drinks at the Visitor Centre and from the Deli in the Farm Shop. You can bring your own picnics to eat in our outdoor areas at the farm, there are picnic benches in the Adventure Playground and by the Dew Pond and River Rother. Please dispose of your rubbish in the recycling and rubbish bins provided around the farm.

Do you have an outside seating area?

Yes we have tables and benches with parasols on The Terrace outside the Visitor Centre. We also have tables with benches in the Adventure Playground, at the Dew Pond and River Rother area.

What age group is Sky Park Farm suitable for?

All ages are welcome at Sky Park Farm and all age groups can enjoy the deer, the farm experience and the beautiful surroundings.

The Adventure Playground is suitable for all children, toddlers to big kids! There is a specific area for under 5's and a larger area for older children.

Do children need to be supervised?

Children must be supervised by an adult at all times in our shops and restaurant and around the farm trail and playground. Please encourage your children to share the play equipment. Sky Park Farm cannot be held responsible for any injury, howsoever caused.

Are there any restrictions at the Farm or Adventure Playground?

Sky Park Farm is a working deer farm and there will be occasions where the whole farm or parts of the farm will need to be temporarily closed for operational reasons, such as moving the deer to different paddocks. In such instances, we will endeavour to give as much notice as possible.

What is special about the Adventure Playground?

Our playground has been handcrafted from Robinia, a splinter-proof hardwood with a greater density than oak. Each piece is individual, keeping the tree's natural shape. The design and construction have been monitored by independent playground experts, who confirm that it meets all safety standards and conforms to industry best practices.

Can we feed the deer?

Yes you can feed the deer, please only feed the deer the special deer food available to purchase in the Visitor Centre. Deer have a limited diet and to prevent illness, please do not feed the deer anything else.

When and where can we feed the deer?

It is possible to feed the deer at any point along the fence lines around the park. Some of our deer are sometimes shy

and may not want to take food but will be happy to eat it from the ground if you throw it into the paddocks.

We also have a specifically designed feeding area near The Terrace.

Please ask our Sky Park Rangers if you have any questions. They will be around the farm during your visit.

Where can I wash my hands?

Hand washing facilities in our toilet blocks at the Visitor Centre and The Grazing Rooms. We also have hand washing stations available outside in the Adventure Playground, at the deer feeding station and the Dew Pond. There are hand sanitiser dispensers available at the Visitor Centre, Farm Shop and The Grazing Rooms.

What clothes and footwear are appropriate for walking around the farm?

Suitable clothing and footwear for the weather conditions and time of year is advised. The farm experience offers little shelter from the weather so please bring appropriate clothing for the weather conditions. Hoggins (large compacted gravel) paths are in place around the majority of the trail and grass paths are found near the river and dew pond. Sandals are not advised.

What do I do if I have lost something at the farm?

All lost property is brought to the reception at the visitor centre at the end of the day. If you think you have lost something please call 01730 634634 or email info@skyparkfarm.com to see if we have your item. If we have your item we will need your name and number and who is picking it up, if you are emailing us please do let us know the day of your visit. We keep lost property for two months and then donate relevant items to the local charity shop.

Can I buy a gift voucher?

Yes of course, please ask a member of our team either at the Visitor Centre, Farm Shop or Grazing Rooms and they will be happy to help you.

Can I book a school trip?

Yes, please contact info@skyparkfarm.com for more information.

Can I book the Education Centre for an event?

Yes, the Deer Hub is equipped with AV and can be hired to host educational visits, parties, meetings and other events. Please email our Event Manager Gosia, gosia@skyparkfarm.com or call us on 01730 634634.

Where do I park if the car park is full?

There is a large car park for Farm Experience visitors just beyond the main entrance to Sky Park Farm. Our staff will signpost you to this car park during busy times.

Do you have a first aider?

Yes there are first aiders on the site at all times and we have first aid equipment in the Visitor Centre and The Grazing Rooms.

Water Safety Information:

River Rother: please be advised that there are steep banks by the river. The river is fast flowing and deep in places. The water may look calm on the surface but there can be strong undercurrents. Swimming or playing in the water is not permitted under any circumstances. Please do not go too close to the water's edge and keep a watchful eye on your children at all times. Sky Park Farm cannot be held responsible for any injury howsoever caused.

Dew Pond: please be advised that playing in the water is not permitted under any circumstances. Please do not go too close to the water's edge and keep a watchful eye on your children at all times. Sky Park Farm cannot be held responsible for any injury howsoever caused.

Will we get turned away if you're too busy?

We will always try and accommodate your visit but it is advisable to book in advance of travelling to Sky Park Farm to avoid disappointment for the Farm Experience and The Grazing Rooms.

What is your smoking policy?

We have a no smoking policy throughout the farm and within all the buildings but smoking is permitted in the Stable Courtyard outside the Farm Shop, please ask one of our team if you need directions.

What payment methods do you accept?

Visitors are welcome to take photographs for personal use whilst at Sky Park Farm. Should you wish to use images for commercial use please request permission from our marketing team by emailing info@skyparkfarm.com.

What is Sky Park Farm doing to help the environment?

We are very aware of the part that we play in helping the environment and have ensured we are as environmentally friendly as possible. We use recyclable products and minimise waste and recycle all that we can.

We have planted many trees and take great care of the land at Sky Park Farm, enhancing the natural environment and beauty.

Sustainability

Sky Park Farm is committed to sustainable operations as a guiding principle across all areas of our business. Concern for the environment is an integral and fundamental part of this commitment. Our aim is to reduce the impact on the environment from our operations.

Our mission is to educate our visitors about the benefits of sustainable living, demonstrating in our own business practice the ways in which this can be achieved.

- Local suppliers:
 - At the core of our business is our farmed venison - culled and butchered on-site and sold at the Butcher Counter.
 - We champion local suppliers across all aspects of our business, and our mission is to deliver 40% of our food offer from within 30 miles, with a further 40% from within Hampshire, Surrey and Sussex.

- Encouraging Sustainable Shopping:
 - In our Farm Shop we have a milk vending machine where customers are encouraged to return recyclable glass bottles and refill either oat or cow's milk - sourced from local suppliers
 - We have created an Observation Beehive in our Farm Shop to educate visitors about the importance of beekeeping and continue to extend our Apiary so we can supply local honey.

- Visitor Experience:
 - We encourage visitors to dispose their rubbish responsibly in the specific relevant bins provided
 - We encourage our customers to use our recyclable paper or hessian bags
 - We use paper straws, cups, packaging and recyclable products where appropriate
 - Our disposable cutlery is all biodegradable and compostable
 - Our take away coffee cups and take away food boxes can be recycled.
 - Our toilet paper is 100% recycled.
 - We welcome visitors that bring their own reusable cups

- Our Business Operations

- As much as possible, waste is recycled
- We aim to employ our staff from within the area, minimising travel to work

- Education
 - We create marketing information available to visitors championing local suppliers and reinforcing the importance of sustainability
 - We educate our children by hosting school and unformed trips with a strong environmental theme to the workshops

- Community support
 - We support local communities as often as we can - whether through sponsorship of a local community bus, or donation of prizes for local fundraising events.

As we grow and evolve our business, all our operations and business practices will be grounded in sustainability principles.
